Savannah National Wildlife Refuge **2014 Mobility-Impaired Hunt**

Savannah National Wildlife Refuge's 19th annual deer hunt managed for mobility-impaired hunters will be held on November 4 & 5, 2014. Only hunters who are dependent on wheelchairs for mobility are eligible to participate in this hunt. Each hunter must submit a quota deer hunt application (FWS Form 3-2354) and the attached eligibility statement, signed by a physician certifying that the applicant is permanently dependent upon a wheelchair. (This requirement is waived for past hunt participants; their statement is on file.) Applicants must also pay a \$5.00 application fee at the time of submission. The permit application, physician's statement, and \$5.00 application fee must be returned to the Savannah Coastal Refuges Complex office by August 31, 2014.

Each selected hunter may bring an attendant (if needed) who can assist the hunter. Attendants will not be permitted to hunt. The attendant may serve as the selected hunter's representative at the mandatory pre-hunt orientation meeting on Monday, November 3, 2014 at 5:00 p.m.

For further information regarding the refuge or hunt management, please contact the Savannah Coastal Refuges Complex office at (843) 784-2468.

This statement which you are being asked to verify will allow the individual identified to participate in refuge-sponsored hunting programs for those who are dependent on wheelchairs for mobility. The program is designed to accommodate only those individuals who would otherwise not be able to participate in hunting activities on Savannah National Wildlife Refuge. In order to qualify, the individual must be permanently confined to a wheelchair. A wheelchair must be the only form of mobility available for the permit applicant. This form is intended only to establish eligibility for an individual permit applicant to participate in the Savannah Refuge hunting programs for the non-ambulatory (wheelchair-dependent) individual.
